

**Eighth Annual Dinner and Auction
To Benefit the
Athletic and Activity Programs of Juanita High School**

January 25, 2010

Dear Community and Business Leaders:

We are excited to announce "Ride the Rebel Wave" the 8th Annual Dinner and Auction to benefit the athletic and activity programs at Juanita High School. The event will take place on Saturday, April 10, 2010 at the Lake City Elks Club in Lake City, Washington.

In years past this event has had great success. Staff, parents, athletes, and the community at large were able to come together and celebrate Juanita High School programs. Our students benefited from your generosity by having additional coaching staff, attending specialized camps, new uniforms, sports gear, and equipment. This year, due to the sharp rise in sports fees imposed upon our student athletes, we look forward to being able to designate a portion of the auction funds for scholarships. We hope that we can count on you this year to be a part of this special event which helps coaches and activity leaders to continue to develop their individual programs.

If you have a product line or service, we welcome your participation in this event. In return you will be recognized and included in our catalog. Your tax-deductible donation will assist the students at Juanita High School and our community as well.
